

Jr. Fire Marshal Home Fire Inspection

Inspect your home and make sure your house is fire safe.
Talk with your parents about your results!

- I have a smoke alarm on each floor of my home
- My parents test the smoke alarm every month
- My parents replace the smoke alarm or batteries every year
- My family has a fire escape plan
- I know 2 ways out of my bedroom
- I sleep with my bedroom door closed to prevent the spread of smoke into my room in case of fire
- My parents always stay in the kitchen while cooking
- Curtains and other things that burn are kept away from our fireplace and kitchen stove
- Electrical cords are used safely (not damaged and won't cause me to trip)
- I have a fire extinguisher in my home
