ADDITIONAL PERMIT(S) WORKSHEET

Distributor Permit

According to K.S.A. 31-502(d)(3): a distributor includes any person who produces, conducts or provides a permitted operator or imports any display fireworks or articles pyrotechnic of any kind within the state of Kansas for profit.

You will need a distributor permit if:

- (a) You are being paid or receiving money to produce or conduct a fireworks display.
- (b) You are raising money from the display (including non-profit organizations).

You do not need a distributor permit if:

- (a) You are employed with a company or organization that already has a distributor permit.
- (b) You are conducting a display where no money is received.

Please provide the distributor permit number that you are operating under. This will be either your employer or your personal license. If you are conducting displays where no money is received, mark "not applicable".

For those individuals who are operating as an officer or employee of the state or any political taxing subdivision of the state, your agency will need a distributor permit.

Storage Permit

According to K.S.A 31-504, the owner of any display fireworks storage facility shall obtain a storage site permit from the state fire marshal for permanent or temporary storage. Storage permits are not required for day boxes used at a display site.
